DECLARATION

We confirm that by completing this application, we are officially authorised to apply for a grant fund on behalf of our group/organisation. Funding received will only be used for the purpose outlined in the application and we will report on what positive impact the funding has had on the environment. We understand that we will be required to use the Lanarkshire Climate Action Hub logo when publicising grant funded events or project activity. We will participate in production by the Hub of a case study or media activity on the grant funded project. We understand that the Hub's decision on applications is final.

Grant applications must be submitted by two authorised signatories for the group/organisation. When you submit the grant application, please include a copy of your group/organisation's constitution and a copy of your group/organisation's bank statement dated within the last 3 months. The Application Form and supporting documents should be emailed to info@climateactionlanarkshire.net.
