Name of your Group/Organisation:

Address (including postcode):

Contact Name and E-mail Address and Phone Number 1:

Contact Name and E-mail Address and Phone Number 2:

What are the main activities of your group/organisation?

(Please briefly describe your organisation's purpose, aims and activities, how many members or volunteers do you have?)

Type of Group/Organisation:

(For example, if you are a charity, social enterprise, other type of group or organisation)

Geographical area that your group covers:

(For example, Hamilton Town Centre or a postal code area/s)

PROJECT DETAILS

Description of your project in 500 words or less:

Give an overview of the following:

- *Why you wish to take part and apply for the Climate Ready Places Grant*
- *Explain how the grant will enable the group to start or deliver a climate resilience/mitigation project in your community and carry out community engagement. (For example, you could look at the [Adaptation Scotland website](#) and list what key impacts of climate change are relevant to your area and refer to how your local area has been affected by any incidents of flooding, storm damage or drought).*
- *Think about who you would invite along to a climate workshop and why*
- *If your project involves repairs or improvements to premises or land, please evidence that you have permission to do so through a lease, ownership or agreement*

Costs of your project:

(List the project costs as follows:

- *£XX for workshop costs broken down and £XX for project costs broken down and include any evidence such as quotes/estimates/links that you have used to calculate these costs.*
- *We would advise you to look at the [Adaptation Scotland Routemap](#) and work out what could be delivered for the grant amount stated. (We do appreciate that the costs for a climate action project are indicative until you have had the workshop and spoken to the community)*

Impact of your project:

(How will the project provide benefits to your area by tackling climate change or improving the resilience?)

Support to deliver your project:

(Is there any support you feel that you require from the Hub to enable you to deliver your project?)

DECLARATION

We confirm that by completing this application, we are officially authorised to apply for a grant fund on behalf of our group/organisation. Funding received will only be used for the purpose outlined in the application and we will report back on what positive impact the funding has had on the environment. We understand that we will be required to use the Lanarkshire Climate Action Hub logo when publicising grant funded events or project activity. We will participate in production by the Hub of a case study or media activity on the grant funded project. Each community organisation accessing the grant must take part in a climate adaptation workshop facilitated by the Lanarkshire Climate Action Hub, to enable a plan and actions to be drawn up to support a project to start in the area.

We understand that the Hub's decision on the Climate Ready Places grant applications is final.

Grant applications must be submitted by two authorised signatories for the group/organisation. When you submit the grant application, please include:

- a copy of your group/organisation's constitution
- a copy of your group/organisation's bank statement dated within the last 3 months.

The Application Form and supporting documents should be emailed to
info@climateactionlanarkshire.net.
